

Tony Brown

Director

Tony is a board member of Four Architecture & Design and also a director of the member company, AXIS Architecture.

Tony co-founded AXIS Architecture 1993 and heads up the retail team for AXIS.

Previous employment included HLM Architects, Walton Horsfall and Trent Regional Health Authority where he introduced and developed CAD for the practices. Experience in banking and retail work goes back more than 30 years when he jointly headed up a team working for Midland Bank. This long term relationship continues to this day.

Other retail work includes:

Full roll out programme for Birmingham Midshires B.S.

ATM Rollout programmes for Lloyds Bank & HSBC. (Ongoing)

Design Guide production, Commercial Office refurbishments & new Call Centre for HSBC

Key store work for Barnsley B.S.

Other projects include large scale industrial units, new office facilities for AMA (Nuclear) space planning and residential.
